

US CAPABILITIES

Insurance solutions for
mid-market to large
commercial clients

THE RSA ADVANTAGE

With best-in-class ambitions, the RSA Advantage represents how, together, we win.

- Ability to provide large commercial clients with a broad range of property and casualty coverages across the United States
- Overall servicing for the US element of a client's global insurance program, including policy issuance, claims management and settlement, and premiums collection
- Engineering and loss-control services
- Proactive sharing of emerging trends and issues that may impact commercial business from our team of experts, who are equipped with extensive knowledge and experience across many industry segments
- Coverage can be coordinated with master policies and global programs

At RSA, we pride ourselves on delivering flexible solutions to fit your needs with a team of highly experienced underwriters and coverage that spans across the US.

Dedicated to global clients with US risks

At RSA, our customers are always at the core of our business, and we pride ourselves on delivering excellent service across all 50 states and the District of Columbia. We take the time to understand what matters to each business so that we can provide creative solutions that mitigate your clients' unique risks. With over 20 years' experience managing multinational accounts in the US, our experts are a single point of contact for customers and brokers, ensuring you have someone to speak to directly.

In the event of a claim, our personalized claims handling is tailored to your client's loss. We assign the best possible panel of experts and attorneys to guarantee claims are resolved in a prompt and professional manner.

RSA IN THE USA

We provide risk engineering, underwriting and claims service in the US for multinational clients across all 50 states and in the District of Columbia. Our cross-border service proposition is built on flexibility, ease of doing business and a commitment to deliver—as well as having in-depth knowledge of multinational solutions and the complex US market.

Royal Sun Alliance Insurance Agency Inc. (RSAIA) operates as a managing general agency that services the US elements of RSA's global insurance programs. RSAIA assumes underwriting, claims and other servicing responsibilities for multinational clients on behalf of, and under a delegated authority from, State National Insurance Company, Inc. SNIC maintains an AM Best A (Excellent) rating.

RSA Canada maintains an A rating from Standard & Poor's, the world's most authoritative insurance rating agency, and is supported by the financial strength and stability of RSA Insurance Group plc.
