HELPING YOU GET YOUR
LIFE BACK ON TRACK

Being in a car accident or sustaining property damage or theft can be stressful. Rest assured that we are here to help.

Our RSA claims professionals will not only help you through the claims process, but they can also refer you to RSA Care, our additional **no-fee service**, to help you recover emotionally.

RSA CARE

RSA Care provides you with emotional first aid when you experience an injury or loss of property. Professional counsellors can tell you what to expect emotionally after a stressful event, give you resources to help relieve your stress and help guide you through this challenging time.

With just a phone call, you can receive counselling from the comfort of your home.

You can talk to a professional counsellor over two one-hour phone sessions.

You can contact a counsellor directly at **1 877 941 2463**.

Every counsellor has extensive experience working with individuals and families who have experienced stressful life events, trauma and crises. Taking control of your emotional health now can be of great benefit to you in the future.

We aim to settle every claim fairly and quickly, getting your life back on track with as little stress as possible. If you have a claim, contact your insurance broker or call RSA at **1 800 319 9993**. **We're here to help, 24 hours a day, 7 days a week.**
