

Tip sheet: Getting the most out of CNS Pro

2021 edition

CNS Pro is an easier way to quote and bind small and medium-sized enterprise (SME) customers—and it boasts a number of built-in features to help you acquire and retain more business.

Three ways that CNS Pro saves your customers money*

5%

discount on pricing
just for using CNS Pro

Up to
20%

in rate deviation
that you can use to bind customers

5%

cap on premium increases
for the first two renewals on all new
business bound in CNS Pro

CNS Pro makes quoting and binding a breeze

Tweak to your heart's content

Make multiple versions of a quote, so you can tweak the coverages to make policies that work best for your customers.

Compare quotes

Get a quote, send it to other markets and return to bind it online.

Help when you need it

Chat live with our underwriters to find answers to your questions and get help with troubleshooting.

Quote today, bind later

Quote and bind immediately, or save the quote to bind it within 90 days.

Our business focus

With CNS Pro, you can bind SMEs from three strategic segments: retail, contracting, and business and professional services.

Within each of these three industries, we're zeroing in on the top 25 risks that we have the most success with writing. This focus will help you use CNS Pro to quote business with no extra underwriter support, saving you more time to spend with your customers.
